

# Making Waves

**Europe for Citizens  
Seminar 2-4 November  
2016 Järvenpää, Finland**

Co-funded by the  
Europe for Citizens Programme  
of the European Union

# Basic information

## Context

Making Waves aims to establish contacts and develop ideas for future cooperation of Baltic Sea Region countries within the EU Europe for Citizens Programme. Following the success of the previous events (2013 Stockholm, 2014 Tallinn and 2015 Vilnius) in creating international partnerships, Baltic Sea region's contact making seminar "Making Waves" takes place for the fourth time, bringing together some 40 participants representing civil society organizations and public authorities from six countries: Denmark, Estonia, Finland, Latvia, Lithuania and Sweden. The aim is to create partnership possibilities between participating organisations and provide in depth knowledge about Europe for Citizens Programme.

## Purpose

In order to support and develop new project partnerships, the participants of the seminar will get a better understanding of Europe for Citizens Programme's funding opportunities and priorities, application process and criteria. They will also be participating in a workshop with analyses examples of good applications and in workshops of preparing applications considering their own ideas of possible projects while going through all phases of the project span.

## Who can participate?

The seminar is targeted to civil society organizations and public authorities from Denmark, Estonia, Finland, Latvia, Lithuania and Sweden who are interested in developing international cooperation with funding from the Europe for Citizens Programme, including towns, municipalities and regional authorities, town twinning associations and networks, non-profit organizations and CSOs, survivor's associations, cultural/youth/educational/research organisations. One participant per organization is expected to attend.

The working language of the seminar is English.

Check with your local Europe for Citizens contact point about participation fees and reimbursements!

## Electric application form and selection of the participants

You can fill out an application form online here:
